

PARKROYAL COLLECTION Pickering

Iconic Design

First hotel-in-a-garden in Singapore's business district

Greenery enshrouds **16 storeys** with rooms that open out to sunlit corridors

Designed by **WOHA** a Singapore-based architectural practice famous for biophilic designs

4 landscaped terraces with distinct natural environments, inspired by rice paddies

Insta-moments aplenty at the 9 birdcage-inspired cabanas on our wellness floor

50 Most Influential Tall Buildings in the World, Council on Tall Buildings and Urban Habitat (CTBUH), 2019

Gold Winner, FIABCI World Prix d'Excellence Awards, 2014

Design of the Year, President's Design Award 2013

Inspiringly yours

PARKROYAL COLLECTION

PICKERING, SINGAPORE
